## ALASKAN MALAMUTE

### Class 97 Champion Dog

**1st** 325 Deepa Galot **Ch.Jordan Kingwolf (UKR)**

6 year old. Small and low on leg. Could have a stronger skull. Has one dropped ear, spoiling the expression. Strong neck. Quite good topline. Could be proud of her tail. Not in good coat condition. Would like more reliable temperament. This dog should not be a champion.

### Class 98 Open Bitch

**1st** 326 Deepa Galot **Ch. Northern Sunrise (UKR)**

3 year old bitch with attractive outline and proportions. Apart from head, she is very good. Needs more width of skull. Good ears. Strong neck. Well angulated both ends. Firm topline. ## CANE CORSO

### Class 106 Junior Mixed

**1st** 329 Moses Njathi **Lenana Maa**

One and half years old, well constructed, and well proportioned, lacks the head qualities of the breed. The head being very indistinct. Dark eyes, pleasing expression, strong neck, and topline. Balanced angulation both ends, beautiful coat and colour. He moves well from side and from behind, but toeing in at the front.

## CAUCASIAN SHEPHERD DOG

### Class 111 Graduate Mixed

**1st** 331 Wanjiru Maina **Thaayu Wanjiru**

2 years and 2 months old, substantial bitch. I would not want her any longer in body, but it is OK for a bitch in this breed. Typical head and expression, feminine, very good ears, strong neck, excellent front, deep and capacious body, standing she is higher behind than in front. Outline would be improved by taking out the undercoat on the backside. She could be stronger in topline. Good sound mover from all angles, her outline improving on the move. *Bitch CC, BOB*

## GERMAN SHEPHERD DOG(LC)

### Class 119 Minor Puppy Dog

**1st** 385 Karin Kea Sued **Kesumagems Vayrynenite**

5 months old, black puppy, not big, but quite well balanced for his age. Stands well over his legs and feet. Head needs development, his ears at this time look huge. Dark eyes, pleasing expression, well set neck into his shoulders, balanced angulation both ends. Very good topline, a sound functional mover, including parallel coming and going. At this stage very soft in his coat.

**1st** 360 Harron Okwako Musumba **Kongtai Jet of Skye**

7 months old. Well constructed. Just masculine enough, including his head. Pleasing ears and expression. Moderate neck, well set. Well proportioned, with correct topline. **2nd** 349 Simon & Grace Kabuga **Skaga Fabiano Saj**

9 months old, masculine dog, with a masculine head. Rather wide set ears, but not big. Needs to gain more volume in front. Quite a good topline, could be higher in loin. Well developed in body, he moves well from the side, but needs to stabilize behind. Very good coat quality.

**3rd** 371 Felix Juma **Iconic Lex**

1 year old dog, good topline, very good in the front too, he is comfortable in the ring and moves quite well, needs more training and some muscle on him as he continues to grow.

**2nd** 346 Brian David Okumu & Cromwell Kayere Kedemi **Vugasu Tarzan**

Upstanding dog, 19 months old. Attractive head, ears, long neck. Eye could be darker. If a bit straight in shoulder, could do with more weight to calm down top line. Well angulated behind, reasonable mover coming and going. Well coordinated on side.

**3rd** 376 Felix Juma Saidi **Cronos Titan Iconic**

2 year old, strong masculine dog. Same thing with head. Very good front, appears heavy in body. Could be sounder in movement coming and going. Much better on side. Rich in coat.

### **Class 123 Limit Dog**

**1st** 378 Felix Juma Saidi **Azis Andalex Team (SERB)**

Masculine dog, quite pleasing head, good ears, excessive lips. Good rise on neck, exaggerated on top line. Very much of a banana back, coat not in best condition and appearing curly. Moves parallel coming and going, uses his legs quite well, on his side still retains his outline.

## Class 124 Open Dog

**1st** 379 Felix Juma Saidi **Berserks Hallguard**

3 year old, strong masculine dog. Well constructed, typical head, dark eyes. Very good mask, strong bone, balanced angulations both ends. Deep capacious body, pleasing top line. Typical mover all angles with strong sound coming and going. ***Dog CC***

4 year old, elegant dog. Good quality, quite pleasing head, prefer strong mask. Excellent ears, good neck, needs more volume in front. Balance angulations, very good coat. Moves very well from side, needs more stable front movement.

**3rd** 352 Simon & Grace Kabuga **Skaga Carla Zeus**

4 year old. Well shaped head, prefer stronger mask. Enough neck, turns front feet out standing in ring. Quite good top line, wouldn't want more angulations behind. Pleasing coat, good mover on side, could stabilize both ends.

## Class 126 Minor Puppy Bitch

**1st** 343 M. Nadeem Butt **Skye Barsa From DD**

5 month old feminine bitch. Small, under developed for age. Pleasing head, rather hairless around the eyes. Normal neck and front angulations. Quite pleasing top line, could have more slope to it. Generous angulations behind. Pleasing coat, sweet temperament.

## Class 127 Puppy Bitch

**1st** 365 Peter Kamara Mwaura **Desouza Neila**

8 month old, very pleasing type. In bad need of ring training to show. Quite enough substance for a bitch. Attractive head, well set neck, good front, balanced angulations behind. Could do with drama to outline. Very good coat, quality in glimpses, moves quite well most time jumping around, handler change helped. ***Best Puppy(GSD), Res. Best Puppy In Show***

**2nd** 383 Dr. Niheer .K. Shah **Shanzu Galaxie**

7 month old feminine bitch. Rather refined, needs bone, substance and body weight. Pleasing body shape, balanced angulations. Moved well in all angles, could do with more strength and drive. Could be sounder from behind.

**3rd** 363 Stephen Kariuki Mwangi **Desouza Ella**

8 month old black bitch. Feminine, could have more substance. Reasonable head and ears, good rise on neck. Need to gain more body, too much chuck up in underline. Not good coat on the day. Acceptable mover, with good forward action.

## Class 128 Junior Bitch

**1st** 361 Harron Okwako Musumba **Hallmark Ayana**

16 month old, easy winner of the class. Well balanced generally. Well constructed, feminine head. A bit insecure in expression and use of her ears. Strong neck that is well set. Balanced angulations both ends. Very good top line that's pleasing, not exaggerated slope. Strong bone, good coat, could gain more weight. By far best mover in class. Reasonably good mover from side, okay coming and going.

**Bitch RCC**

**2nd** 374 Felix Juma Saidi **Iconic Hazel Halima**

15 month old, feminine bitch, rather compact. Pleasing head and expression, dark eyes, excellent mask and ears. Neck could be smoother set. Excellent return of upper arm. Would prefer more bone. Reasonable top line. Too long in second thigh and rather over angulated behind. Still moves better than competition behind. Could extend more behind and be more stable. Very good coat.

**3rd** 372 Felix Juma Saidi **Icon Karma Koda**

14 month old. Feminine bitch, just enough for her. Pleasing head and expression, big ears. Good rise of neck, well set, compact body. Falls away too much on the croup. Could be sounder in move, on all angles. Very good coat, well coordinated.

## Class 129 Novice Bitch

**1st** 351 Simon & Grace Kabuga **Candy Von Citadel Kennel**

2.5 years old bitch. Coarse in substance, could be more up in legs. Very heavy in coat. Attractive head, good ears and expression. Strong neck, well set, well angulated both ends. Would want more hind quarters, moves well from side but too close behind.

**2nd** 375 Felix Juma Saidi **Iconic Fuzzy Fedora**

18 month old. Compact, improves standing but sound none the less. Pleasing feminine head, neck, could be longer. Well angulated both ends. Would like drama to outline, including more shape to top line. Excellent, strong body condition including muscle. Makes sense in movement when she got in stride.

**3rd** 355 Cromwell Kayere Kedemi **Majesty Rita**

Eye catching bitch. Pleasing proportions, rather stressed temperament at all times which made her a challenge to asses. Feminine head, wide set ears, good neck. Attractive top line, rather over angulated behind, need to stabilize behind. Tend to overreach on the movement in stride.

## Class 130 Limit Bitch

**1st** 380 Felix Juma Saidi **Jakarta vom Haus Neoplantum (SERB)**

3.5 years old. Quite strong bitch, head fits her body. Very attractive expression, dark eyes. Good strength of neck, just enough length of leg. Well angulated both ends. Quite good top line, strong legs

and feet. In very good body condition and muscle. When getting into stride moves from the side but unstable from behind.

**2nd** 356 Cromwell Kayere Kedemi **Vugasu Maya**

Feminine bitch, with a bit anonymous standing. Quite balanced, better on the move. Strong big head, rather big ears, medium neck and front angulations. Good top line, tail set unfortunate, breaks outline on move. Moves well on side, narrow behind.

**3rd** 345 Diana Kieti Adhiambo & Collins Taliti **Vugasu Lala**

3 years old. Quite leggy bitch, could use more substance for her size. Not the breed type I would prefer. Rather narrow and long in head, dark eyes, long neck. Needs more angulations in front and more drama throughout outline. Good coat quality. Plenty of angulations behind, quite stylish on move but too much behind movement compared to forward.

### Class 131 Open Bitch

**1st** 377 Felix Juma Saidi **Beautiful Becky**

2.5 years old. Attractive bitch, pleasing outline, could do with more bone. Typical head, good ears and expression. Crested type neck, good return on upper arm. Feet could be tighter. Top line with good slope, well angulated behind. She moves well from side, tolerable from behind. Correct weight, good coat. **Bitch CC, BOB, Res. BOG**

**2nd** 348 Brian David Okumu & Cromwell Kayere Kedemi **Ch.Demi vom Haus Tchorz (POL)**

3 year old. Pleasing type, shape a little over done in top line. Feminine head, prefer stronger mask, good neck, well angulated in front. Just enough bone, wouldn't want more angulations behind. Out of coat on day, without under coat. Pleasing mover especially on the side.

## ROTTWEILER

### Class 134 Junior Mixed

**1st** 401 Hon Charles. C (The Late) Njonjo **Skaga Lara Hunter**

Masculine young dog, well proportioned, and well boned legs, masculine head, doesn't need any more wrinkles, or more slope. Good width of skull, strong neck, firm topline, excellent coat and colour. Very good bone, stands well over his legs and feet. Dynamic, well balanced when viewed from the side, could perfect his coming and going.

**2nd** 390 Simon & Grace Kabuga **Nera Spartan Arena (SERB) - RAF**

15 months, just masculine enough. A bit longer cast. I prefer his head to be bigger for a male. Very deep stop. Excellent neck into shoulder, and strong front, firm topline. Well angulated behind, moves with firmness from the side, except for coming and going.

**3rd** 391 Simon & Grace Kabuga **Natasa Spartan Arena (SERB) – RAF**

14 month old bitch, just enough length of leg, good skull, stop is too deep. A medium neck, at this time she is rather behind in her balance, and could be stronger in her topline. I would prefer more angulation behind. Good coat and colour, except for the breaching. Looks OK from all angles, but the topline should be stronger.

### **Class 135 Novice Dog**

**1st** 394 Simon & Grace Kabuga **Skaga Niki Bima**

Big strong dog, 2 years old, quite majestic, but too long in body for optimal balance. Strong masculine head, good width of skull, too much stop. Strong neck, well angulated in front, deep and capacious chest. Well set and carried tail. A dynamic mover, especially from the side, and also movement makes a too long cast impression

**2nd** 392 Simon & Grace Kabuga **Igor Spartan Arena (SERB) - RAF**

17 months old, quite well balanced, could do with more masculinity, especially in the head, which could be bigger. A deep stop, pleasing neck, well set, moderate balance and angulation both ends. Moves well from the side, reasonable coming and going.

**3rd** 405 Andrew Oduor **Skaga RT Pitia Ludo**

2 year old big strong masculine dog, far too much skin and wrinkles on the head, spoiling his expression. I don't like his language. Strong neck, good topline, and tail set. Strong dynamic mover, especially from the side.

### **Class 136 Open Dog**

**1st** 396 Simon & Grace Kabuga **Skaga RT Dylan**

5 year old, strong, masculine, quite impressive dog. Very good skull, correct stop, very good expression. Strong neck, a little exaggerated in fore chest. Deep capacious body, good angulation behind, he has a majestic attitude, excellent coat and color. Moves very well from behind and the side, could be a little stronger in topline. Still a very good representative of his breed and sex. **Dog CC**

**2nd** 404 Felix Odhiambo **Skaga RT Pitia Luis**

2 year old dog, masculine, somewhat long and racy. Very good skull, too much stop, very good eyes, long neck. Turns his front feet out, standing and moving. Quite a good topline, over angulated behind, comes alive in movement from the sides, but needs to stabilize, especially in front.

### **Class 137 Champion Dog**

**1st** 389 Yusuf M. Hussein **Ch.Skaga RT Tatu Elli**

6 year old dog, pleasing balance and outline on the stack, good width of skull, normal stop. His teeth are rather worn down, and could use more width of underjaw. Good width of fore chest, big and

capacious body, balanced angulation. Moves with normal soundness from all angles. Could be a bit stronger in topline on the move.

### **Class 138 Novice Bitch**

**1st** 395 Simon & Grace Kabuga **Euforia De Rott Valencia(ESP)**

Good strong bitch, quite well proportioned, but her big teats are disturbing the picture a bit. Very good skull, I would not want any deeper stop than this. Strong neck, good fore chest, strong topline, well angulated both ends. Not in optimal condition, and a bit soft in outline on the move. Her type is very nice indeed, a very easy win in this class. ***Bitch CC***

**2nd** 399 Elvis Munene Mwendia **Hundvater RT Finou**

2 year old bitch, could do with more substance and bone. Quite long in body, I would like a bigger and stronger head. Good neck into shoulder, quite a good front, strong topline

**3rd** 398 David Mwaniki **Skaga RT Lara Wipe**

Feminine bitch, could be more impressive overall. Good skull with plenty of wrinkles, rather a deep stop. Very good expression. Pleasing fore chest, just enough bone. Could improve movement both coming and going.

### **Class 139 Open Bitch**

**1st** 393 Simon & Grace Kabuga **Skaga Niki Elly**

10 month old bitch, very mature for her age, attractive, even if she could do with more length of leg. Good skull, deep stop, I would prefer a stronger muzzle. Beautiful neck, Plenty of angulation in front and behind. Moves well coming and going, with energy from the side, but with a tendency to lower herself. ***Bitch RCC***

## **PUG**

### **Class 156 Champion Dog**

**1st** 409 Anne Daykin **Ch.Ronaldo's Oreo**

3 year old male, rather fine. I would prefer more substance. Pleasing skull, with very good wrinkles. Somewhat long in muzzle, good rise of neck, pleasing fore chest. I would prefer him more cobby in body, more capacious. Quite good twists, should be substantially clearer in his colour. A normally sound mover from all angles, but overall, not of champion quality.

### **Class 157 Champion Bitch**

**1st** 410 Anne Daykin **Ch.Mali Pearl**

Bitch of very nice quality, excellent substance, feminine head, just large enough. Well-rounded skull with wrinkles, eyes should be darker. Strong neck, good front, well set twists, but they could be

tighter. Balanced angulation both ends. A typical mover from all angles, excellent coat and colour, with a good mask, and some trace. **BOB, BOG**

## BEAGLE

### Class 170 Open Bitch

**1st** 411 M. Nadeem Butt **Doeland Hailey**

Very fine bitch. On the fine side. Would like more strength in her, especially in muzzle. Her expression is sorry rather than merry. Well set ears. Good neck. Firm topline. Moderately angled both ends. Moves quite well from all angles. Keeps outline with tail most of the time at half mast.

## RHODESIAN RIDGEBACK

### Class 174 Novice Dog

**1st** 413 M. Nadeem Butt **Doeland Blazer**

5 year old. Big male. Masculine. Rather square in proportions. Well shaped head, but rather sad expression. Very good neck. Needs better fore chest and lay of upper arm. Too wide in front. Topline should be firmer on the move. Asymmetrical, if rather short reach. Moderate angulation behind. When getting into a trot, moved quite well on the side and behind. Firm enough topline.

### Class 175 Open Dog

**1st** 418 Regula Wacker **Wildfire Essence of Gold**

Very elegant young dog. Needs more bone and substance. Pleasing head proportions. Should be more stable in temperament. Moderately balanced angulation on both ends. Long symmetrical reach. Moves light on his feet, needing more strength and power. Needs a lot of time to develop.

### Class 177 Puppy Bitch

**1st** 414 Carol Mooke-Scholz **Orbitir Enaii Eabha**

Bitch with good substance. Quite pleasing proportions. Should be more accessible in temperament. Still very puppyish. Head needs to dry out. Pleasing head planes. Quite a good neck. Stands well on front legs. Long and symmetrical reach. Should be stronger and more angulated behind. Moves well from all angles. **Bitch RCC**

### Class 180 Open Bitch

**1st** 419 Regula Wacker **Wildfire Emerald of Joy**

Elegant feminine young bitch. Quite well proportioned and construction. Needs more substance with maturity. Attractive head. Dark eyes. Excellent expression. Attractive neck. Moderately balanced angulation on both ends. Good length and long symmetrical reach. Quite friendly, though a bit silly.

Moves very easy and light on her feet. Looking good when not playing up. Sound coming and going.

***Bitch CC***

**2nd** 415 Carol Mooke-Scholz **Wildfire Exquisite Ruby**

3 year old bitch of pleasing type and quality. Upstanding. Could cover some more ground. Quite a good head. Stronger underjaw. Pleasing neck. Would prefer more angulation both ends. Long reach, but not quite symmetrical. Quite pleasing, but not the topline of the winner.

**3rd** 412 Lisa Nislev & Andrew Pitt **Smetana Themes (GBR)**

Feminine bitch. Short and square. Needs more angulation on both ends. Very feminine head. Could have more strength in fore face. Long neck, well set. Straight upper arm. Needs more chest. Symmetrical reach but falls away too much over the croup which restricts her in movement.

### **Class 181 Champion Bitch**

**1st** 420 Regula Wacker **Ch.Wildfire Diva aka Skye**

5 year old bitch. Excellent type and body. By far the best here. Strong and substantial. Feminine. Could be stronger in muzzle. Strong neck. Good angulation both ends. Correct proportions. Firm topline. Very sappy in her silhouette. Very good mover from all angles. Strong, balanced, Sound and excellent drive and reach. Excellent representation of the breed. ***BOB, BOG, Res.BIS, Best Countrybred***

**2nd** 416 Carol Mooke-Scholz **Orbitir Bingwa Benaiyo**

Bitch of medium built. Lack of hind angulation makes her high behind, distracting her balance. Long head. Very low set ears. Strong neck. Average front angulation. Topline could be firmer. Needs to be more accessible in temperament. Using her legs ok on the move.

## **Jack Russell Terrier**

### **Class 187 Novice Mixed**

**1st** 421 M. Nadeem Butt **Grehenheim Farah's Fame at Doeland(ZA)**

3 year old feminine bitch. Very short on legs. Looks like she is carrying all the worries of the world on her shoulders. Very attractive ears, heavy ears takes away from a keen expression. Very good neck and fore chest, good turn of upper arm. Topline could be straighter, and her tail is permanently down. Good coat, very well trained, needs to move with more animation and happiness.

### **Class 188 Champion Dog**

**1st** 422 M. Nadeem Butt **Candelier Rover at Doeland (ZA)**

Merry little dog, smooth coated, barely enough length of leg, quite attractive muscular head. I would not want a longer muzzle. Excellent ears, strong neck, well set, into a firm topline, and a well set and

carried tail. Retains his balance and outline, and balance from the side, but could perfect his coming and going. **BOB, BOG**

## SUNDAY VETERAN

### Class 194. Sunday Veteran

**1st** Simon & Grace Kabuga's **Rottweiler Ch. Leyla Spartan Arena (SERB)**  
8 year old rottweiler bitch, combining substance with femininity, could be a little more up on legs, firm and strong, and not showing her age. Excellent skull, very good expression. Strong neck.
